Conservation

Our Conservation Committee allocates up to $10,000 per year to local conservation and restoration projects, CFFU members routinely volunteer for hands-on waterway enhancement and restoration projects and participate in legislative endeavors to conserve our waterways. We assist and provide financial support to a variety of NGO's and government agencies to increase regional conservation efforts.

Community

CFFU is very involved in our community. We organize an annual fishing derby for disabled individuals, clean-up a one-mile path in the American River Parkway quarterly, participate in Creek Week, and support our local parks department's annual fishing derby for area youth. . Club members help youth disconnect from their screens and connect with the outdoors. We volunteer with the boy scouts, girl scouts, Canoemobile, and Camp Sacramento.
