

Hello CFFU Members:

We have a scheduled float trip set up for Oct. 18th, 2021 on the lower Sacramento River with The Redding Fly Shop. Our CFFU Organization has 6 guide boats reserved for this date at a group discount. This is a full day outing with a guide; along with lunch and tackle (i.e. flies, etc.) included. The cost for a single boat is xxx and the cost to share a guide boat between two (2) anglers is xxx.

The payment arrangement will be different this year. CFFU is working directly with The Fly Shop with respect to payment for the guide boats. Therefore, those members that sign-up will reimburse CFFU for the cost and make their payment directly to CFFU. You can contact our CFFU Treasurer Jim Berdan to satisfy your payment. Participation and sign up will be handled on a first “pay” basis. To clarify, this means those that satisfy payment first will get a spot. What it doesn’t mean is someone expressing interest in going with an expectation that a spot will be held for him/her. Therefore, the first 12 members, assuming two to a boat, that satisfy payment first will secure a spot. I’ll be coordinating with Jim Berdan to comprise a list of those members that have paid first. So if someone has a buddy they want to fish with then that person needs to be within the first 12 paying members to get a spot or you may find you will have a different fishing buddy for the day. With respect to cancellations and refunds: Once a member signs up and pays it will be the members responsibility to find their own replacement and have that member pay them for their agreed upon cost. With respect to The Fly Shop guides; unfortunately, we will NOT be able to accommodate special requests for a particular guide. All The Fly Shop guides are professionals and know how to fish and navigate the lower Sac. That said, participating members will be assigned a guide. As for members that sign up as a single angler, they too will be paired up to the best of our ability. More information will be forthcoming as we get closer to the date with respect to gear to bring, etc. During the interim, let the sign ups being! Remember, securing a spot is on a first “pay” basis. Lower Sac Guided Outing Cost: \$467.50 is the cost per guide boat. If the guide boat is shared between two anglers the cost is \$ 233.75 per person. For those signing up for the lower Sac Outing. Please make the check payable to CFFU with notation for the 2021 Lower Sac Outing. Payments should be sent to: CFFU, PO Box 162997, Sacramento 95816.
