Although the trip for 2019 is full, I am taking reservations for 2020. I'm looking at a special trip for trophy Grayling and Northern Pike with some Silvers in the Nome area of Alaska. This is July top water dry fishing for monster Graylings and Northerns. We can have 6 fly fishers. It's a 6-day trip in 2020. The club price is \$3850! More information to follow. Contact me if you are interested.
