

CFFU Lower Sac Outing
March 31st, 2019

This is a one-day guided drift boat outing coordinated with The Fly Shop in Redding, CA. CFFU has 6 boats reserved. If CFFU can fill all 6 boats we qualify for a group discount of approximately \$405 per boat. In the event we cannot fill 6 boats we lose the discount and the cost is at the regular \$450 rate per boat. Single members can sign up for half the boat cost and we'll do our best to pair up with a fellow fishing partner.

ALL sign ups and payments are to be made directly with The Fly Shop at 1-800-669-3474 and ask to speak with Bryan or Nick for guide services. Simply let them know your signing up for the CFFU March 31st outing organized by Ty Espinoza. They will handle the financial arrangements. Before YOU sign-up know that there may not be an opportunity for any refunds or cancellations less than 31 days of the outing date. In this unlikely event, YOU may however try to find your own replacement and work-out your own financial arrangement. Any and all refunds and or cancellations are to be made directly with The Fly Shop.

In addition, only PAID sign-ups will secure your spot. Un-paid sign-ups are subject to getting bumped by a paying member. Therefore, it is IMPORTANT not just to sign-up but to also immediately satisfy payment through The Fly Shop to secure your spot.

The Fly Shop will provide an itinerary and all the details for the best equipment and flies to bring prior to the outing date. Your guide will also help with this on the date of the outing as The Fly Shop will have it all available for purchase. You must have a valid 2019 CA fishing license and Steelhead Report Card. This outing is scheduled for rain or shine so bring appropriate rain gear just in case. Only The Fly Shop and your CFFU Fishmeister can cancel or reschedule the outing due to weather, river conditions, or, other serious concern for everyone's safety.

March and April is truly an exciting time to fish the Lower Sac. The bug activity really starts to heat-up and Spring run Steelhead enter the River system. This is a FANTASTIC outing for both beginners and veteran anglers and nobody knows the Lower Sac like the The Fly Shop guides. Lunch and non-alcoholic beverages are provided. With only a limited number of boats (6) this outing is sure to fill up fast. Once filled, we'll establish a waiting list. And again, only payment secures one's spot. Contact Bryan or Nick at The Fly Shop at 1-800-669-3474 and tell them you want to sign-up for the CFFU March 31st outing with your Fishmeister Ty Espinoza and Assistant Fishmeister Rosie Vasquez.

We'll be meeting at 8:00am at The Fly Shop located at 4140 Churn Creek Road Redding, CA. 96002
