

Reservations are "Sold Out" again & a few checks have arrived to officially reserve those spots. A p appears next to your name if your check arrived & your spot is officially reserved. Just a reminder that high water & other reasons may postpone or cancel our outing so checks will not be cashed until after the outing.

In the past we allowed 2 days fishing for some anglers since we had to pre-pay for Fishing to UCD. Many would like to fish 2 days but in all fairness, it looks like there are enough anglers to limit fishing to one day per angler. We are overbooking due to cancellations & no shows. The week before the outing, stand by anglers will be informed if they can fish. The gate code will also be available for those who know how to get to the gate and they will be allowed to fish down to dusk. If you are unsure of the gate location it is recommended you arrive at the 76 gas station at Marysville Rd & Hwy 20 , we will be leaving there at 7:30am sharp on Mar 11 & 12, 2023.
